APHASIOLOGY, 1996, VOL., 10, 8, 821–824

Index of Authors
Volume 10

ABRAMSON, A. S., *see* Eng, N.
ACKERMANN, H., HERTRICH, I., ZIEGLER, W., BITZER, M., and BIEN, S.: Acquired dysfluencies following infarction of the left mesiofrontal cortex, 409
AHLSÉN, E., *see* Menn, L.
AHLSÉN, E., NESPOULOUS, J.-L., DORDAIN, M., STARK, J., JAREMA, G., KĄDZIEŁAWA, D., OBLER, L. K., and FITZPATRICK, P. M.: Noun phrase production by agrammatic patients: a cross-linguistic approach, 543
ARDILA, A., ROSSELLI, M., and OSTROSKY-SOLIS, F.: Agraphia in the Spanish language, 723
ARMSTRONG, E., *see* Ferguson, A.
AVENT, J. R., and WERTZ, R. T.: Influence of type of aphasia and type of treatment on aphasic patients' pragmatic performance, 253

BAILEY, P. J., *see* Morris, J.
BARAN, J. A., *see* Perkins, J. M.
BASSO, A.: PALPA: an appreciation and a few criticisms, 190
BASTIAANSE, R., BOSJE, M., and FRANSSEN, M.: Deficit-oriented treatment of word-finding problems: another replication, 363
BASTIAANSE, R., EDWARDS, S., and KISS, K.: Fluent aphasia in three languages: aspects of spontaneous speech, 561
BAUM, S. R.: The processing of morphology and syntax in aphasia: a test of the fast decay and slow activation hypotheses, 783
BELLUGI, U., *see* Hickok, G.
BERTHIER, M. L., FERNÁNDEZ, A. M., CELDRÁN, E. M., and KULISEVSKY, J.: Perceptual and acoustic correlates of affective prosody repetition in transcortical aphasias, 711
BEST, W., *see* Nickels, L.
BIEN, S., *see* Ackermann, H.
BISHOP, D. V. M., *see* Hesketh, A.
BITZER, M., *see* Ackermann, H.
BOON, D. L., *see* Jordan, F. M.
BOSJE, M., *see* Bastiaanse, R.

CANNITO, M. P., HOUGH, M., VOGEL, D., and PIERCE, R. S.: Contextual influences on auditory comprehension of reversible passive sentences in aphasia, 235
CELDRÁN, E. M., *see* Berthier, M. L.
CHENERY, H. J.: Semantic priming in Alzheimer's dementia, 1
CHENERY, H. J., MURDOCH, B. E., and INGRAM, J. C. L.: An investigation of confrontation naming performance in Alzheimer's dementia as a function of disease severity, 423
CHOO, P., *see* Manochiopinig, S.
COLTHEART, M., *see* Kay, J.
COX, D. M., *see* Shelton, J. R.

DÉMONET, J.-F., *see* Habib, M.
DENES, G., PERAZZOLO, C., PIANI, A., and PICCIONE, F.: Intensive versus regular speech therapy in global aphasia: a controlled study, 385
DE VREESE, L. P., NERI, M., RUBICHI, S., and SALVIOLI, G.: Grammatical ambiguity resolution in right hemisphere-damaged patients: evidence from an insertion task, 801
DOHI, N., *see* Maeshima, S.
DORDAIN, M., *see* Ahlsén, E.

Edwards, S.: Measuring and describing: alternative or complementary approaches to assessment, 485
Edwards, S., *see* Bastiaanse, R.
Ellis, A. W., *see* Morris, J.
Eng, N., Obler, L. K., Harris, K. S., and Abramson, A. S.: Tone perception deficits in Chinese-speaking Broca's aphasics, 649

Ferguson, A., and Armstrong, E.: The PALPA: a valid investigation of language?, 193
Fernández, A. M., *see* Berthier, M. L.
Fitzpatrick, P. M., *see* Ahlsén, E.
Franklin, S., *see* Morris, J.
Franssen, M., *see* Bastiaanse, R.
Fukkink, R.: The internal validity of aphasiological single-subject studies, 741
Funnell, E., and Hodges, J. R.: Deficits of semantic memory and executive control: evidence for differing effects upon naming in dementia, 687

Gandour, J., *see* Perkins, J. M.
Giles, E., Patterson, K., and Hodges, J. R.: Performance on the Boston Cookie Theft picture description task in patients with early dementia of the Alzheimer's type: missing information, 395
